

April 12, 2021

Dear SPD Community,

We are very pleased to announce the appointment of Cindy Myers as interim executive director of Small Press Distribution, starting April 12.

Cindy has a long track record of successful leadership positions at nonprofits, with extensive experience serving as interim executive director for nearly a dozen organizations. In addition to managing day-to-day activities at SPD, she will work with staff, the board of directors, and the small press community to analyze and address the organization's critical needs, including staffing and HR, business processes, and near-term strategic and financial planning. She will also assist us in the search for the next executive director, helping determine qualifications and preparing the way for that transition.

Organizations where Cindy has been interim executive director include the National Center for Lesbian Rights, At the Crossroads, Nurses for Sexual and Reproductive Health, Buckelew Programs, and the Oakes Children's Center.

Please join us in welcoming Cindy to SPD!
